

2021 ANNUAL REPORT

SCHUYLKILL RIVER DEVELOPMENT CORPORATION

FULFILLING OUR MISSION

ENERGIZING THE RIVERFRONT

SRDC worked with its partners to host 27 kayak tours, 25 riverboat tours, 9 movie nights, the annual Philly Fun Fishing Fest, and the free Exploring Our Urban Watershed program. In addition to the full slate of events, the trail proved to be a valuable amenity for Philadelphians seeking safe outdoor spaces to recreate and relax during the second year of the pandemic, with an average of 26,558 user trips per week.

BUILDING THE BANKS

Bartram's to 61st Street opened in November 2021. Work is underway on the Schuylkill Crossing at Grays Ferry, the Christian to Crescent Connector trail segment, and the Bartram's Mile Fishing Pier. Plans continue for the 61st Street to Passyunk trail segment, bringing us closer to installing a trail and greenway with vital riverfront access along the entire tidal Schuylkill. The South to Christian trail segment was a finalist for ULI Philadelphia's Awards for Excellence.

MAINTAINING THE GREENWAY

SRDC had another successful year of working with the City and volunteers to maintain the trail, which was especially daunting after the destruction wrought by Hurricane Ida. In 2021, 568 people contributed 2,172 hours of their time; SRDC is grateful to all of these volunteers who helped with a wide variety of tasks, including landscaping, maintenance, public programs, and especially with flood cleanup efforts. SRDC is also grateful to PennDOT for repairing a sinkhole under the Chestnut Street Bridge in 2021.
